

January 2023

SOCIAL IMPACT

A YEAR IN REVIEW: 2022

57.08 Tons of glass collected this year

\$5,115 donated to the local United Way

19,000 KG of CO₂ saved

319.20 tree seedlings grown for 10 years (in relation to carbon sequestered)

64.96 Tons of raw materials displaced

4.20 equivalent to passenger vehicles removed from the road

2.30 homes energy use saved, in terms of CO₂ emissions

Equivalent to 197.51K food containers recycled

Equivalent to 131.66K wine bottles recycled

Equivalent to 286.27K beer bottles recycled

WHY RECYCLE GLASS?

Glass recycling contributes to the overall health and well-being of communities. It conserves energy and natural resources while also reducing waste.

GLASS4GOOD™ is a program developed by O-I to increase glass recycling in every community in which they operate. Through collaboration with the City of Danville, residents can safely and properly recycle their glass at four designated collection sites. After processing, the collected glass (cullet) from Danville's GLASS4GOOD™ program is used at O-I's closest facility and is formed into new glass, sometimes in as little as 30 days. To further impact the community through glass recycling, O-I also provides a charitable donation to United Way of Danville-Pittsylvania County based on the weight of collected glass.

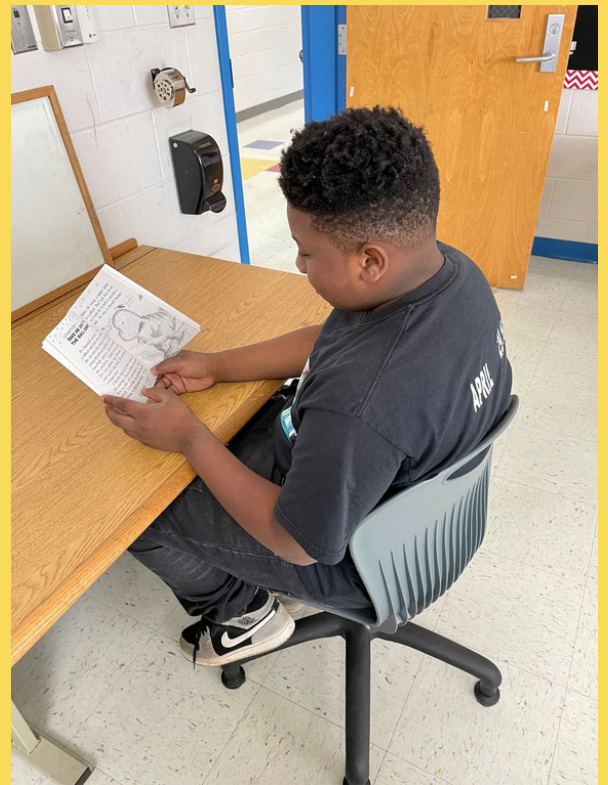

At O-I Glass, Inc. (NYSE: OI), we love glass and we're proud to be one of the leading producers of glass bottles and jars around the globe. Glass is not only beautiful, it's also pure, healthy and completely recyclable; making it the most sustainable rigid packaging material. Headquartered in Perrysburg, Ohio (USA), O-I is the preferred partner for many of the world's leading food and beverage brands. We innovate in line with customers' needs to create iconic packaging that builds brands around the world. Led by our diverse team of approximately 24,000 people across 70 plants in 19 countries, O-I achieved revenues of \$6.4 billion in 2021. Recognizing the tremendous benefits of glass, the United Nations has designated 2022 as the International Year of Glass to celebrate the past, present, and future of this transformative material.

UNITED WAY OF DANVILLE AND PITTSYLVANIA COUNTY:

UNITED WAY IMPACT:

Since the inception of the Glass4Good Program in partnership with the United Way of Danville-Pittsylvania County, **5,883 books** have been distributed to City and County children grades kindergarten to 5th grade through BookEnds (dba for Friends of the Danville Public Library, Inc.). Providing G4G funding to Bookends has given them the opportunity to host literacy events and allow children to choose their own book which increases the chances they will read them and starts to establish a reading identity for the children. The children are thrilled to learn that they get to keep their chosen book and it may be the only book they own. For others, it will be a memory embedded in their lives that they will always cherish.

ABOUT UNITED WAY OF DANVILLE AND PITTSYLVANIA COUNTY:

The United Way of Danville-Pittsylvania County in Virginia is celebrating 100 years of providing for the needs of less fortunate individuals in our community. Through specific goals and outcomes, the United Way invests in services that address third grade reading, reducing barriers to middle school students' on-time graduation, assisting the homeless and those impacted by domestic violence, serving the aged, and training the unemployed. Through these local initiatives, we're able to make a difference in the lives of thousands each year and in turn building a stronger community.
