

April 2025

SOCIAL IMPACT

1ST QUARTER 2025

31 tons of glass collected

\$2,014 donated to United Way of Danville-Pittsylvania County

9,947 KG of CO₂ saved

165 tree seedlings grown for 10 years (in relation to carbon sequestered)

34 tons of raw materials displaced

Equivalent to 2.2 passenger vehicle removed from the road (as related to GHG emissions)

SINCE INCEPTION

234 tons of glass collected

\$16,506 donated to United Way of Danville-Pittsylvania County

73,000 KG of CO₂ saved

1,210 tree seedlings grown for 10 years (in relation to carbon sequestered)

246 tons of raw materials displaced

Equivalent to 16 passenger vehicles removed from the road (as related to GHG emissions)

THE GLASS4GOOD™ PROGRAM

Glass recycling contributes to the overall health and well-being of communities. It conserves energy and natural resources while also reducing waste.

GLASS4GOOD™ is a program developed by O-I to increase glass recycling in every community in which we operate. Through collaboration with the City of Danville, residents can safely and properly recycle their glass at four designated collection sites. After processing, the collected glass (cullet) from Danville's GLASS4GOOD™ program is used at O-I's closest facility and is formed into new glass, sometimes in as little as 30 days. To further impact the community through glass recycling, O-I also provides a charitable donation to United Way of Danville-Pittsylvania County based on the weight of collected glass.

O-I ANNOUNCES UPDATED SUSTAINABILITY GOALS FOR 2030:

New 2030** Goals

GHG by **47%** (1.5° Pathway)

Renewable Electricity to **80%**

Cullet to **60%**

Fostering glass recycling ecosystems, including our GLASS4GOOD™ programs, is essential to achieving our ambitious targets. By increasing the availability of cullet through community glass recycling initiatives, we can incorporate more cullet into our manufacturing process, further reducing our energy consumption and GHG emissions.

Did you know?

For every glass bottle you recycle, you save enough energy to:

- Power a 15-watt low energy lightbulb for 24 hours
- Charge 17 cell phones for an hour
- Power a computer for 25 minutes

This Earth Day (observed on April 22), recycle your glass with GLASS4GOOD™ to positively impact your community and the planet.

DANVILLE COLLECTION SITES:

Danville Mall (southwest corner)
Tractor Supply (Kings Fairground Plaza)
Ballou Park Shopping Center
South Boston Road/Halifax Road (across
from Public Works facility)
The city also offers curbside recycling service

Third Chance Housing: Recipient of 2025 GLASS4GOOD™ Donations

Recommended by the UWDPC Board of Directors, Third Chance Housing is a fairly new but effective non-profit in Danville making a difference working with at-risk families by supporting families in need of rent or utilities assistance. They advocate for these families, provide empowerment classes for financial stability, and collaborate with others doing similar work. UWDPC receives over 500 calls a year. Of these, 40% need utilities assistance and 36% need rent assistance. GLASS4GOOD™ donations to Third Chance Housing will allow the organization to assist more families facing crisis.

THE FOLLOWING ITEMS ARE ACCEPTABLE FOR RECYCLING:

- Beer/wine/champagne/ spirits/ non-alcoholic beverage glass bottles
- Food glass jars/containers

THE FOLLOWING ITEMS ARE NOT ACCEPTABLE FOR RECYCLING:

- Windows
- Mirrors
