

DANVILLE INTERCHANGE GARDENS

SPONSORSHIP INFORMATION

Thank you for your interest in sponsoring a landscaped site in Danville.

The Danville Interchange Gardens (D.I.G.) Program is an initiative designed to enhance the environment and aesthetics of our city. Through this program, key city interchanges are professionally landscaped, and sponsors help ensure these spaces are maintained to the highest standards.

Sponsorship Details:

- Annual Contribution: \$3,000
- Initial Term: Five years
- Renewal Option: Additional three-year terms

Your sponsorship covers all aspects of the sites upkeep, including:

- Landscape design and installation
- All plant materials and mulch
- Routine maintenance and care
- Replacement of any necessary materials

As a sponsor, your organization will also have the opportunity to display a single-sided sign (minimum 18" x 42") at your sponsored site. The sign will be installed by City crews once it has been fabricated.

We are continuously identifying and developing additional sites within the city, which will be available for sponsorship in the near future. If you have a specific location in mind that you'd like to see landscaped, we welcome your suggestions.
