RE: REHAB Application

Thank you for your interest in the City of Danville's Housing Program. Enclosed you will find an application. Please fill out the application completely and sign all required areas. There will be certain information that will be required along with the application upon its return. Please provide the following: proof of income for everyone living in the house, proof of homeowners insurance, three past utility bills and all taxes must be current. The income limits for the household must be within HUD's median income level is provided below.

Annual Gross Household Income based on number of person(s)

1	2	3	4	5	6
\$43,750	\$50,000	\$56,250	\$62,500	\$67,500	\$72,500

*Your household income, according to household size, may not exceed the above limit.

The applicant must own the property, the property must be the owner's primary residence and cannot be rented or leased. The applicant must not have judgements against their property or have filed for bankruptcy within the last seven (7) years. The applicant must have a clear title on the property with the exception of an original mortgage held by a bank.

The program addresses all code related issues such as leaking roof, heating, plumbing and electrical. There will be a meeting with the owner and a HQS inspection completed on the property, with deficiencies noted being addressed first. This inspection will determine the amount of work and if the property is repairable using the amount of monies allotted.

If all requirements are met, a loan in the form of a grant is currently available for the repairs. There will be a Deed of Trust taken out on the property for the duration of the loan. During this period the owner must continue to live in the property, keep insurance on the property, taxes must be kept current, and the owners cannot sell or rent the property, within the five year period without having to repay the loan.

If you have any questions, please feel free to contact the Housing & Development office at 434-799-5260 to set up an appointment to return the application along with the required information and to discuss the program more in-depth.
